From the people called Leakers, the Children and Descendants of those framable people who first settled in Pennsylvania, being the Friends of Ones. —

To corn-planter, the Seneca Chief, or to Joseph Nicholson, the Interpreter to be by them explained to the Seneca Chief.

The written message of corn-planter dated at Philad. on the 10th day of February last, was not received by us until some weeks after. Her request that we would take under our care two Seneca Boys, one of them his own son, accompanied with the son Joseph Nicholson, we have considered, and do agree to receive them when they can be conveniently sent to us, intending they shall be treated with care and kindness, and instructed in reading, writing, and Husbandry as the children of our Friends are taught.

Governor of Pennsylvania, being informed of their proposal, having expressed his approbation thereof, as did General Knox.

Signed on behalf and by appointment of a meeting of the Neighbors of the said people the 2 day of this month, called June 1791.
